Thank you for your review and comments. I've changed that sentence to the following in the notes:  
"ACHD is working with Steve Hepler and other PADEP personnel to resolve public hearing issues, put forward by an environmental group expressing concern over how ACHD plans to handle public hearings."

If that's acceptable, we can consider the attached agenda/notes final. Should you have additional revisions, please let me know.

Thanks,  
Amy

Thank you for the notes, Amy.

One comment: Steve Hepler did not send a letter regarding the public hearing issue for Invenergy. The letter or email was sent by an environmental group expressing concern over how ACHD will handle public hearings. ACHD is working with Steve Hepler to resolve the issue.

On that note, we have a meeting scheduled on Friday to discuss the issue with Allison Aceveda, the director of EJ at the DEP to discuss.
